Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 29 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Warm, dry, and plenty of sunshine for Sunday.

This Evening and Tonight:
Any isolated evening showers soon dissipate through the early evening, leaving a dry night with long clear spells and light winds. Some low cloud will fringe eastern areas by dawn. Minimum temperature 7 deg C (45 deg F).

Sunday:
Any low cloud will quickly clear, with a warm and sunny day following. Staying dry throughout, with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Staying warm and largely dry, with plenty of sunshine and patchy fair-weather cloud throughout most of this period. Risk of heavy, possibly thundery, showers moving in from the south Wednesday.
